Happy New Year to one and all!

We wish all our lovely e-letterers/friends a very Happy New Year and hope you had a great festive season. Thank you all for your valued support in 2016 and we look forward to the year ahead. If anyone has any suggestions or comments for the Shop or new products we could stock, then we would love to hear about them.

K making more mince pies!!

Mince Pie Munching!

A big thank you to all who bought and munched many mince pies this Christmas! We hope you enjoyed our silly festive competition! The answer to our quiz of "How many mince pies will K make this Christmas" was

2376

This brought much amusement and merriment in the shop! Some chose to quietly guess whilst others asked us many questions before contemplating their answers! So THANK YOU to all who guessed. We poured over the answer lists and came across 3 who had guessed 2375 – these were: Mr Steer, Patrick Obour and Mr Wood. Then we found our winner who was absolutely spot on with 2376! CONGRATULATIONS to Jeremy Ward who was the lucky winner (of yes you guessed it) 24 mince pies!!

Tisbury Cubs celebrate at the Farm

We had a great evening when the Tisbury cubs came on the 16th December to celebrate the movements 100th Birthday. The cubs put on a delicious BBQ, we made hot chocolate and then there was a brilliant fireworks display. A great celebration!

Liz Earle photo shoot at the Farm

We were delighted to welcome Liz Earle and her team back for another photo shoot just before Christmas. That's the second Liz Earle magazine we've recently featured in! Anyone spot Robins Landy and the barn doors!!

Vacancy to join our happy family team!

We do have a part time vacancy available to join the Ansty Team. The role would be mainly shop based, but would also involve serving in the Tea Rooms, washing up, possibly a small amount of fruit picking (in the summer), shelf stacking, etc. We all tend to muck in with whatever needs doing!! If you like the sound of this or know of any one local who might be interested then please let us know! Di retired last February and amazingly came back for a couple of weeks before Christmas to help out (THANK YOU Di!).

STAR GAZING – 31st January – Here! Back due to the huge success of last time – Join us for another enthralling evening under the stars. Hopefully led by Bob Mizon, co-ordinator, Commission for Dark Skies British Astronomical Association and the Wessex Astronomical Society. Tickets £5 from the Cranborne Chase Area of Outstanding Natural Beauty Organisation.

Hens – As most of you will be aware our poor hens are on compulsory shut down. We have split them up between our 2 large hen houses, so they have plenty of space to cluck around in! We are doing our best to keep them as happy as possible! They get kibbled maize and bits of bread crust to peck at and we are just about to give them a few squashes to peck and play with! The eggs are still really delicious! Some however may have been slightly affected by the frost or very occasionally we may not notice the odd one in their deep sawdust bedding that may come to light a little while later! If you do find one of these slightly less than perfect eggs then please do say and we will gladly replace it for you.

Thank you for signing up to receive our monthly newsletter and hope you find it interesting. If, however, you do not wish to receive our newsy ramblings then please unclick us on the mailchimp link.
