Facebook Hamper Giveaway

A huge THANK YOU to everyone who liked, shared and followed the hamper as it grew throughout December! With the kind support of many of our lovely suppliers, including Salcombe Dairy Chocolate, Holleys Fine Foods, Moores Biscuits, Tricklements, Olive Tree cards, Hill Farm Apple Juice, Donhead Honey, Kimbers Farm Shop, Church Farm Dairy, Leopard Dairy (Snowdonia black bomber cheese), Mere Trout Farm, Donhead Cider, Summerdown mints, we created an amazing hamper of wonderful goodies. On the 24th one lovely customer was randomly chosen and asked to pick a number from 1 – 23 out of our basket. She randomly choose, 12. Which placed our winner on day 12. We then put everyone's name in the basket who had entered that day and a little later we asked another lovely customer to pick a name out of our basket. Huge congratulations to Zoe Holloway. We couldn't get everything into our basket as it was overflowing! So a basket and box of goodies was picked up over the Christmas period by Zoe's husband and was whisked off to be enjoyed over Christmas. Thank you so much for all your lovely comments. Many made us smile and laugh! As an extra treat we gave Carli Harvey a roulade as she brightened up our whole December by her "23 days of Christmas" themed ditties! Please watch this space on our Facebook page for up to date Farm Shop news and more competitions!! Find us at Ansty PYO & Farm Shop!
