### Find the Rainbow!!

Hidden throughout the maze, in full view of the pathways is our Ansty toy Rainbow. Please find one colour per group and bring it back to the Farm Shop to claim some Star cookies!!

Hopefully at the end of each day we will be able to make the entire rainbow back at the Farm Shop! We will then give it a good clean and hide it out again the next day!

Please only bring one arc in per group. If you see any more arcs on your way around then please leave it for another group to find.

### A few safety rules!

Please keep to the pathways. Please do not cut through the maize plants - this will damage the plants and will also result in you getting very lost.

Please do not damage the plants - they will not grow back. Please do not pick the cobs as they are to feed the cows.

Please tread carefully as the ground is uneven. Please be extra careful if wet or damp as the ground may be slippery.

Please only pick up one rainbow piece per group so that there are other pieces left for other groups.

PLEASE DO NOT PICK UP any of the other games as they are just to look at and if you take them they will not be there for another group.

Likewise please do not break the items we have placed in the maze - we already have a broken rounders bat. Please look only. Very important this year due to hygiene reasons.

Please keep a safe distance from other maze goers. Please only pass if there is a 2 m gap to do so.

Please stay in your groups for your safety and the safety of other maze goers.

Please be very careful on the maze bridge. Children must only go on it with adult supervision. Please do not climb on the wooden safety rails.

Many thanks

The Ansty Farm Shop Maze Team
